Report of "Staff Induction"

Date: 15<sup>th</sup> July 2019

Venue: Media Room

**15<sup>th</sup> July 2019**

The Staff Induction programme was arranged at KIMSDTU's Krishna Institute of Pharmacy, Karad for newly joined staff on 15<sup>th</sup> July 2019. The venue was media room and the programme started at 9.00 am.

**Objectives of the Programme :**

- 1. To discuss about the policies and procedures to be followed in the institution.**
- 2. To orient the faculty members regarding the roles and responsibilities**
- 3. To make the faculty members familiarize with the facilities available in the campus.**

**Schedule of the Programme:**

<b>Details</b>	<b>Timing</b>
<b>1. Welcome</b>	<b>9.00-9.30am</b>
<b>2. Orientation to college</b>	<b>9.30-12.30pm</b>
<b>3. Introduction to campus</b>	<b>1.30-3.30pm</b>
<b>4. Discussion about the policies, procedures, roles, responsibilities</b>	<b>3.30-4.30pm</b>
<b>5. Vote of thanks</b>	<b>4.30-4.40pm</b>

The program started with Welcome note which was delivered by Mrs. Akshada Koparde. The felicitation of newly joined staff Dr.Rohit Bhosale

,Mrs.Pallavi Karanje, Mrs.Pratiksha Jadhav, Mrs.Manisha veer was done by the dean of the institute Dr.R.C.Doijad. After the welcoming programme, Dean Dr. R.C. Doijad delivered an speech to all the staff memebtrs and started with the presentation on staff induction.

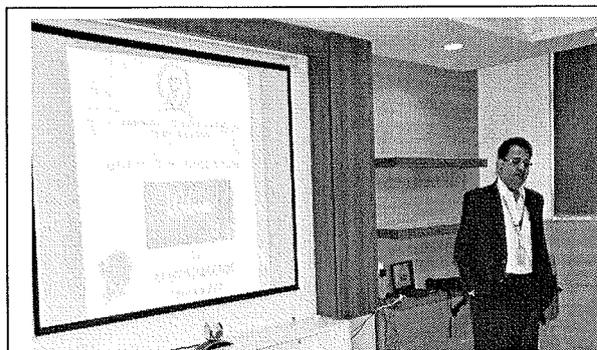

Structured format for the faculty induction was followed. The faculty were made familiar with all 7 NAAC criteria and were also brifed about their role in preparation of AQAR and SSR for our upcoming NAAC accreditation inspection for coming 2020.

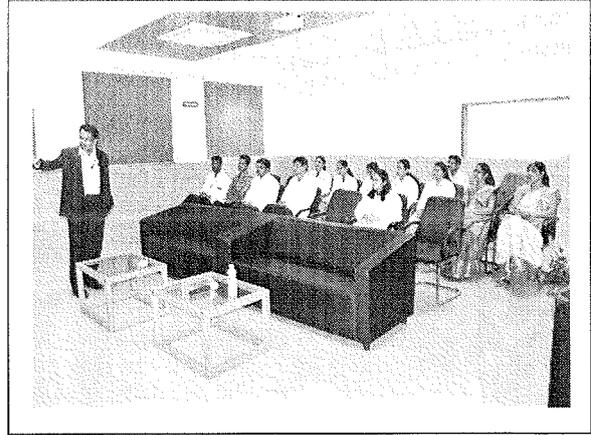

Staff induction programme was meant for all the faculty members of Krishna Institute of Pharmacy not restricting only to newly joined faculty members.

All faculty members were briefed with vision, mission and objectives of KIP , their role in effective implementation of vision, mission and objective. Each faculty members were given the copy of the same to be displayed at their respective workplaces. In the afternoon all faculty members were introduced to the campus and the facilities available here.

Various committees of the institution, working culture and newer teaching learning techniques ,pattern of teaching, conduct of examination was well explained. The session was well appreciated by all the faculty members.

**Summary of Revised Basic Course (18<sup>th</sup> to 20<sup>th</sup> Sept 2019) and AETCOM  
Workshop (21<sup>st</sup> Sept 2019) at KIMS, Karad**

Revised Basic Workshop Objectives

- 1) To sensitize the participants with Goal, roles and competencies developed by MCI.
- 2) To demonstrate basic understanding of hierarchy of knowledge progression.
- 3) To help the participants in choosing appropriate teaching method for various objectives and competencies
- 4) To explain different assessment methods and direct them to choose right assessment method.
- 5) To demonstrate use of skills lab.

AETCOM Objectives

At the end of workshop, participants should be able to:-

- 1) Explain the purpose of Attitude, ethics and communication workshop.
- 2) Link the Aetcom modules with competencies, objectives

Teaching learning methods and assessment

Krishna Institute of Medical Sciences, Karad conducted its second Revised Basic Course workshop from 18<sup>th</sup> to 20<sup>th</sup> Sept 2019 and first AETCOM workshop on 21<sup>st</sup> Sept 2019. A total of 30 participants from varied disciplines attended the workshops. 30 participants attended both RBCW and AETCOM. Of the 30 participants, there were 08 Professors, 10 Associate Professors and 12 Assistant Professors attending these workshops.

We are grateful to Medical Council of India for granting us permission to conduct these workshops. Lt. Col. Dr. Arunkumar. Yadav from Armed Forces Medical College, Pune was the observer for the workshop.

The MEU faculty at KIMS conducted coordination meetings prior to the workshop to plan the workshop and the sessions. During the workshop, the sessions were conducted using hands on examples, role plays and interactive methods.

A session on how to use AETCOM booklet was conducted. AETCOM workshop was conducted using the scenarios from the AETCOM booklet. There were various inputs from the participants.

The workshop ended where the participants were motivated to implement the principles in their respective departments. The post test showed a significant improvement. The evaluation of participants showed a significant change in behaviour and learning as seen in the evaluation forms and pre- post tests. List of enclosures is enclosed.

**REPORT**

**LEGAL ASPECTS OF PHYSIOTHERAPY PRACTICE IN MAHARASHTRA**

A unique symposium on Legal aspects of Physiotherapy practice in Maharashtra for Professionals and students hosted by Krishna College of Physiotherapy, Krishna Institute of Medical Sciences Deemed To Be University was successfully held on 4<sup>th</sup>October2019 in Karad, Maharashtra.

The lecture highlighted the theme “Legal aspects of Physiotherapy Practice and safety practice in Maharashtra”.

This symposium was not only for Professionals but also for Students to create awareness about Importance of Safety Physiotherapy Practice and its Laws and Legal aspects. The unique lecture aimed to strengthen each and every Physiotherapist in Krishna Institute of Medical Sciences Deemed to be University India by the oral feedback from students and eminent Professionals which concentrated not only on the current Physiotherapy Professionals but also on upcoming physiotherapy professionals who are the vital source for uplifting Physiotherapy Profession in the community.

The main objectives of the conference were

- To understand the core concept of Legal Physiotherapy practice.
- To understand the depth of Safety Physiotherapy Practice.
- To gather the knowledge regarding Occupational Therapist and Physiotherapist council registration.

**INAUGURATION**

Grand inauguration took place on 4<sup>th</sup>October 2019 with the presence of Dean Faculty of Physiotherapy and organising Chairman Dr. G. Varadharajulu and all the Physiotherapy staff were the dignitaries on the dais. Special invites for the symposiumwere President of OTPT Maharashtra Council Dr.Sudeep H.Kale Ph.D holder in Cardiorespiratory Physiotherapy.

Dr. AmrutkuvarRayjade delivered the welcome address with floral welcome for all the dignitaries, followed by which dignitaries on the dais inaugurated the function with lamp

lightning simultaneously Physiotherapy students invoked god with the blissful devotional song. The theme of the Symposium was introduced by Dr. G. Varadharajulu, Organising Chairman.

Photo 1: Introduction of theme of Symposium by Dr G Varadharajulu

After the felicitation of Dr. Sudeep H. Kale, the session was then taken over by him. During his presidential speech, Dr. Sudeep H. Kale; proudly said that “I trust and believe that the time has come for all of us to understand the over growing Physiotherapists population and the recent advances in physiotherapy practices needs implication of certain laws and legal aspects formed by OTPT council in Maharashtra.

Dr. Amrutkuvar Pawar was the Master of Ceremony (MOC) for the function and Dr. S. Anandh, proposed the vote of thanks for the inaugural ceremony.

Entire Physiotherapy unit; staff including students attended the sessions on Legal aspects of Physiotherapy Practice in Maharashtra by Dr. Sudeep H. Kale. The sessions thus benefited 200 participants.

**REPORT ON**

**SENSTIZATON PROGRAM ON LEPROSY AND FOOT CARE**

A unique symposium on sensitization program on leprosy and foot care 2020 for Professionals and students hosted by college of Physiotherapy, Krishna Institute of Medical sciences deemed to be university was successfully held on January 24<sup>th</sup> 2020 in Karad, Maharashtra.

The lecture highlighted the theme “Awareness of Leprosy and its signs and symptoms along with advanced foot care analysis and treatment.”

This symposium was not only for Professionals but also for Students to create awareness about importance of Physiotherapy in treatment of leprosy. This unique symposium aimed to strengthen each and every Physiotherapist in Krishna Institute of Medical Sciences Deemed to be University India by the oral feedback from students and eminent Professionals which concentrated not only on the current Physiotherapy Professionals but also on upcoming Physiotherapy professionals who are the vital source for uplifting Physiotherapy Profession in the community.

The main objectives of the conference were

- To listen to the core concept of Leprosy and advanced foot care in leprosy.
- To understand the depth of clinical leprosy.
- To gather the knowledge regarding recent trends in correction of foot deformities.

**INAUGURATION**

Grand inauguration took place on 24<sup>th</sup> January 2020 with the presence of Hon’ble Vice Chancellor Dr. Nilima Malik KIMSDU, Hon’ble Assistant Research Director Dr. D.K. Agarwal KIMSDU, Dean Krishna College of Physiotherapy and organising Chairman Dr. G. Varadharajulu and other HOD’s were the dignitaries on the dais. Special invites for the symposium were Dr. Suresh Verghese; Senior consultant at The Leprosy Mission Trust India,

Belgaum and Dr. N.R.Raja; Physiotherapist at The Leprosy Mission Trust India, Miraj and Trained on pedorthotics in Spain.

Photo 1: Dignitaries on dais

Dr. Amrutkuvar Rayjade delivered the welcome address with floral welcome of all the dignitaries, followed by which dignitaries on the dais inaugurated the function with lamp lighting simultaneously Physiotherapy students' invoked god with the blissful devotional song. The theme of the conference was introduced by Dr. G. Varadharajulu, Organising Chairman for the guest lecture.

Photo 2: Welcome address by Dr. Amrutkuvar

During her presidential speech, Vice Chancellor Dr. Neelima Malik; proudly said that “I trust and believe that the time has come for all of us to understand the over growing, life harming disease: leprosy and it’s in depth knowledge of assessment and management physiotherapeutically by advanced foot care.

Photo 3: Presidential speech by Dr. Neelima Malik

Dr. Amrutkuvar Pawar was the Master of Ceremony (MOC) for the function and Dr. S. Anandh, proposed the vote of thanks for the inaugural ceremony.

Entire Physiotherapy unit; staff including students attended the sessions on both leprosy awareness taken by Dr. Verghese and Recent Trends in correction of foot deformities by Dr. Raja

Dean

Krishna Institute of Medical Sciences,  
KIMSDU, Karad

Pretest and Posttest carried out.

The absolute learning gain >80% after the analysis of test.

Inauguration programme was presided by our chief guest Dr. S. T. Mohite Dean,  
Faculty of Medical Sciences, KIMS, Karad

-After that CME was arranged with panel discussion in presence of 150 delegates.

-MMC had granted 2 credit hours for the said CME.

Programme was ended with Vote of Thanks.

Outcome of this CME

1. **For PG students** –They clear basic concepts, underlying pathophysiology and new advances in Tuberculosis. It helps them to understand the importance of timely diagnosis, Registration of cases, use of sensitive investigations and initiation of updated and proper treatment for the same.
2. **For private practitioners**- It helps in updating their knowledge base, registering patients timely via the online NIKSHAY portal and encourages them to motivate patients for taking treatment for TB at proper DOTS centers, instead of buying ATT drugs from medical stores. This helps to regularize the treatment and reduce incidence of MDR TB and XDR TB.
3. **For Government Medical Officers**-To keep them abreast of the latest advances in the treatment of TB, as they are usually the first point of contact for patients from all strata of the society at PHCs and government hospitals. This ensures that latest treatment is being implemented in our healthcare systems.

**Event Report**

**Name of the Topic :** “Microendodontics”

**Date:** 26/02/2020

**Time:** 10:00am – 1:00 pm- Lecture

2:30pm – 5:00 pm – Demonstration of Surgery under a Microscope

**Venue :** Lecture Hall No-3, School of Dental Sciences, KIMS DU, Karad

**Name of the Speaker : : Dr. SayedAbrar Bashir Ahmed**

Professor and Head, Government Dental College, Mumbai

**No. of Participant :** 76

**Introduction of Programme :** Department of Conservative Dentistry and Endodontics conducted this lecture and demonstration on 26<sup>th</sup>February 2020, at auditorium no. 3 at School of Dental Sciences. The lecture was mainly directed for IV BDS, Interns, Post graduate and BDS and MDS staff. The session was chaired by Dean Dr. Shashikiran N.D. and HOD Department of Conservative Dentistry and Endodontics Dr. T. M.Mangala. A total of 76 participants attended the lecture. The speaker Dr. SayedAbrar Bashir Ahmed from Government Dental College, Mumbai explained the delegates about Magnification in Endodontics, various magnification devices, microsurgery and various clinical scenarios in a detailed manner.

**Includes Level of Event –** College level

**Organized by :** Department of Department of Conservative Dentistry and Endodontics, SDS, KIMS “Deemed to be University”, Karad.

**Schedule of the Programme :** Introduction of speaker followed by main lecture, followed by demonstration, felicitation of the guest speaker.

**Objectives of the Programme :** 1. To aware the students about Microendodontic surgery advances

2. demonstration of microendodontic surgery

**Brief Description of the Programme:** The lecture was very informative and created an enthusiasm amongst delegates to practice Microendodontics and Microsurgery in particular. The delegates answered Pre test and Post test questionnaire on the topic of lecture. On analysis of the test result a significant improvement was seen among delegates.

The lecture was followed by demonstration for Post graduate students and staff who had registered for the programme. The speaker demonstrated the various protocols and techniques used in microsurgery on a live patient. A live relay of the microsurgery was done for the registered participants. The workshop ended with the valedictory function where in certificate, as token of appreciation a Memento was presented to the Guest speaker.

**Krishna Institute of Medical Sciences “Deemed To Be University”,**

**School Of Dental Sciences, Karad**

**Event Report**

**Name of the Topic :** “Revolution in dentistry owing to artificial intelligence and machine learning”

**Date:** 27/02/2020

**Time:** 10.00 am – 3.00 pm

**Venue :** Lecture Hall No-3, School of Dental Sciences, KIMSDU, Karad

**Name of the Speaker : : Dr. Vidhi Bhanushali**

**No. of Participant : 108**

**Introduction of Programme :** We all are aware of the increasing use of artificial intelligence in medicine, and hence it is essential to know how AI is shaping dentistry. With this idea, School of Dental sciences took an initiative to invite one of their alumni active in this field, Dr Vidhi Bhanushali to share her knowledge on the subject..

**Includes Level of Event –** College level

**Organized by :** School of Dental Sciences, KIMS “Deemed to be University”, Karad.

**Schedule of the Programme :** Introduction of speaker followed by main lecture, felicitation of the guest speaker.

**Objectives of the Programme :** 1. renewed interest in the field of artificial intelligence in medicine and dentistry

2. various AI based applications that are available in the dental filed and how the startup and app (dentaldest.com)

**Brief Description of the Programme:** A total of 108 delegates were present that included undergraduates, interns and staff of School of Dental Sciences, KIMS “Deemed to be University”, Karad. The speakers shared her expertise on the topic. Dr Vidhi spoke on the applications of Artificial intelligence in everyday life and how it has impacted medicine and especially dentistry. She spoke on the various AI based applications that are available in the dental filed and how the startup and app (dentaldest.com) she has developed will contribute to prompt diagnosis even in the remotest areas. She asked student and intern volunteers to contribute image based data for further development of the existing application.

Pre and post tests forms were circulated as Google forms to promote paperless documentation before and after the session. A positive outcome was achieved with a pre test average score of 15% and post test average score of 71%. An **Average Learning Gain (ALG) of 56%** was achieved. An excellent feedback was achieved from all the beneficiary listeners that attended the workshop.

Report on Certified Industry Integrated Bridge Course

Organized by

Opex Accelerator Pvt. Ltd.

In collaboration with

Krishna Institute of Medical Sciences Deemed to be University,  
Malkapur-415539, Karad.

Duration:16<sup>th</sup> and 17<sup>th</sup> May2020

Time:11.00 AM to 12.30 PM

It's our privilege to report that **Two Days Online Certified Industry Integrated Bridge Course** was organized by **Opex Accelerator Pvt. Ltd., Kolhapur** (Skill Development/Startup Accelerator/Consulting) in collaboration with **Krishna Institute of Medical Sciences Deemed to be University (KIMSDU), Karad.**

This course was organized under the auspices of **Memorandum of Understanding (MoU)** between Opex Accelerator Pvt. Ltd. and Krishna Institute of Medical Sciences Deemed to be University.

Many participants (approximately 200 participants) from **Western Maharashtra** had registered voluntarily for this course. From Krishna Institute of Pharmacy (KIP), all the faculty members as well as many students had registered. Out of 200 participants, around **40 participants from KIP, KIMSDU had registered, attended, and completed the course.**

Organizers have provided the **study material**, had conducted the **online test**, and collected the **feedbacks** via Google forms at the end of the course. Also, **certificates** were distributed through mails.

This two days course was divided into different sessions.

**Day1 sessions** were all introductory sessions including facts and figures on pharma sector, introrelated to top pharmacompanies, current scenarios of pharma companies due to COVID-19outbreak, introcore and non-core pharma companies. It was then followed by live YouTube session by Mr.Amol Galande from TCS on telling scope of medical writing and clinical research.

**Day 2 sessions** were also good and informative. They covered the topics like industry experts advise where they showed video lectures of some industry experts who talked on job situations, opportunities and skills required.

It was then followed by online test and collection of feedback from all the participants through Google forms. Then they uploaded the concluding video on YouTube, and declared the end of the course. Separately, Dr. Rohit Bhosale, Asst. Prof., KIP, has collected the feedbacks from KIP faculty members as well as students who completed this course, and has submitted all those feedbacks to the Institute.

Overall, the course was very informative for pharma freshers and pharma and clinical research related students.

**REPORT ON WEBINAR SERIES 30<sup>TH</sup> JUNE TO 3<sup>RD</sup> JULY 2020**

A Unique Webinar series was conducted by Krishna Institute of Medical Sciences Deemed to Be University, Krishna College of Physiotherapy in collaboration with IAP women cell SATARA District. Coordinator of IAPWC Satara is Dr. Trupti Yadav, Subcoordinators as Dr. Khushboo Chotai and Dr. Pallavi Kulkarni., from 30<sup>th</sup> of June 2020 to 3<sup>rd</sup> July 2020 with a set of 7 Webinar series were planned in morning and afternoon session on respective days.

The series was divided into Neurophysiotherapy , Community Physiotherapy, Pediatric Physiotherapy, Obstetrics and Gynecology Physiotherapy, Sports Physiotherapy, Cardio-Respiratory Physiotherapy and Orthopedic Physiotherapy.

The webinar series began with a brief introduction of IAP women cell SATARA, by Dr. Khushboo Batia Sub coordinator. Dr. G. Varadharajulu gave an introductory speech with respect to the topic and introduced the guest lecturer. This was followed by the webinar.

The webinars conducted were,

<b>SR. NO</b>	<b>SPEAKER</b>	<b>TOPIC</b>	<b>TIME</b>	<b>DATE</b>
1.	Dr. Sanjeev Kumar	PNF facilitatory technique for improving trunk mobility in paraplegic patients	11 am to 12 pm	30 <sup>TH</sup> June 2020
2.	Dr. P Kamalnathan	Wheelchair maneuver for various physical disabilities	11 am to 12 pm	1 <sup>st</sup> July 2020

3.	Dr. Snehal Deshpande	Tool kit for developmental delay	3pm to 4pm	
4.	Dr. Snigdha Mehta	Role of Physiotherapy in labour and delivery.	11 am to 12 pm	2 <sup>nd</sup> July 2020
5.	Dr. Rakeshkumar Sinha	Fitness testing and training for amateur & recreational athletes	3pm to 4pm	
6.	Dr. Saumi Sinha	Various lines, tubes, monitors and its therapeutic importance in ICU	11 am to 12 pm	3 <sup>rd</sup> July 2020
7.	Dr. R Raja	Differential diagnosis for low back pain	3pm to 4pm	

The participants for the webinars included the under and post graduate students, interns and practicing physiotherapist. It was a great knowledge feast for all of them.

The platform used for the conduction of webinars was ZOOM, CISCO WEBEX, YOU TUBE LIVE. The question and answer session was conducted by the respective staff in charge for the particular webinar followed by the vote of thanks by Dr. G Varadharajulu. The webinar series ended with note of appreciation and was a informative feast to all the participants.

## DAY 1

### 1. Webinar No. 1.

- Topic – PNF facilitatory technique for improving trunk mobility in paraplegic patients.
- By: Dr. Sanjeev Kumar. MPT, PhD, FIAP, Principal, KLE institute of Physiotherapy, Belgavi.
- Time- 11 AM- 12 PM
- No of participants – 215 Cisco Webex, 60 on YouTube.

The webinar began with brief introduction of IAP women cell SATARA, Introductory speech with respect to the topic was given by Dr. G. Varadharajulu. The Guest lecture was started at 11:00 A.M by the Guest Speaker, Dr. Sanjeev Kumar.

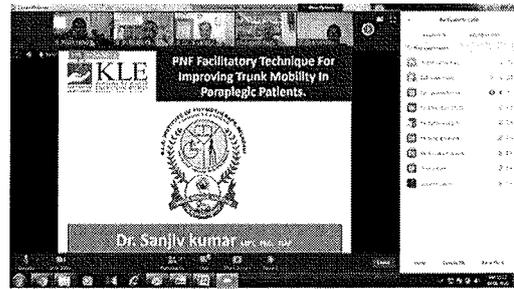

Dr. Sanjeev Kumar MPT, PhD, FIAP, Principal, KLE Institute of Physiotherapy, Belgavi gave an elaborative and knowledgeable webinar on “PNF facilitatory technique for improving trunk mobility in paraplegic patients.” Sir, has delivered various guest lecture and conducted various conferences and workshops with subjects related to Community Physiotherapy.

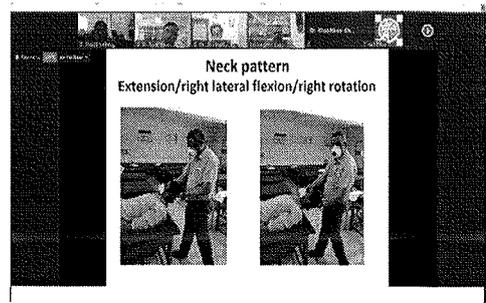

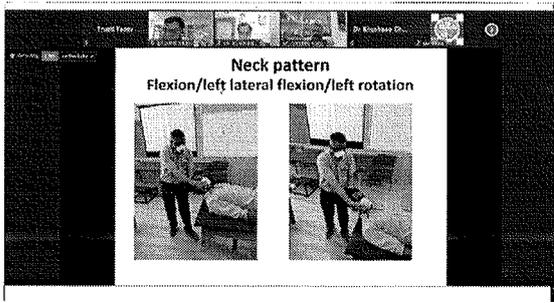

Introduction to the topic of the day was given by Dr. G. Varadharajulu with the continuation of the topic per se by the Speaker for the day Dr. Sanjeev Kumar.

The main objectives of the Lecture were

- Details about paraplegic patients and their disabilities and their rehabilitation with the help of PNF facilitatory technique.
- Principles of the PNF facilitatory technique
- To deliver the knowledge about PNF facilitatory technique for trunk.

The session followed by Question answer session and it was conducted by Dr. Suraj Kanase sir, EC member IAP Maharashtra state. In that Dr Sanjeev kumar sir cleared the doubts arised in the minds of participants. Vote of Thanks was delivered by Dr. G. Varadharajulu sir ,Dean Krishna College of physiotherapy.

## DAY 2

### **2. Webinar No. 2.**

- Topic: Wheelchair maneuver for various physical disabilities.
- By: Dr. P Kamalnathan
- Time- 11 AM- 12 PM
- No of participants - 175 Cisco Webex App

On the day of webinar, 1<sup>st</sup> July 2020, after the brief introduction of IAP women cell SATARA, Introductory speech with respect to the topic was given by Dr. G. Varadharajulu. The Guest lecture was started at 11:00 A.M by the Guest Speaker, Dr. P. Kamalanathan.

Dr. P. Kamalanathan is a renowned professor in the field of Community Physiotherapy in SRM University Chennai. Sir, has delivered various guest lecture and conducted various conferences and workshops with subjects related to Community Physiotherapy.

Introduction to the topic of the day was given by Dr. G. Varadharajulu with the continuation of the topic per se by the Speaker for the day Dr. P. Kamalanathan.

The main objectives of the Lecture was

- To introduce the concept of wheelchair manoeuvre for various disabilities seen in subjects with Stroke, Spinal cord injuries, Quadriplegia, Amputation etc.
- To deliver the knowledge about recent advances in Wheelchairs for the benefit of the society.

Total of 175 Students and Staff from various colleges including Krishna Institute of Medical Sciences, Deemed to Be University, Krishna College of Physiotherapy, Physiotherapy colleges in and around Maharashtra were benefited with the Guest Lecture. The question and answer session was conducted by Dr. S. Anandh followed by vote of thanks by Dr G Varadharajulu.

### 3. Webinar No. 3.

- Topic: Tool kit for developmental delay
- By: Dr. Snehal Deshpande
- Time- 3 PM- 4 PM
- No of participants – 135 on ZOOM, 48 on YOUTUBE LIVE

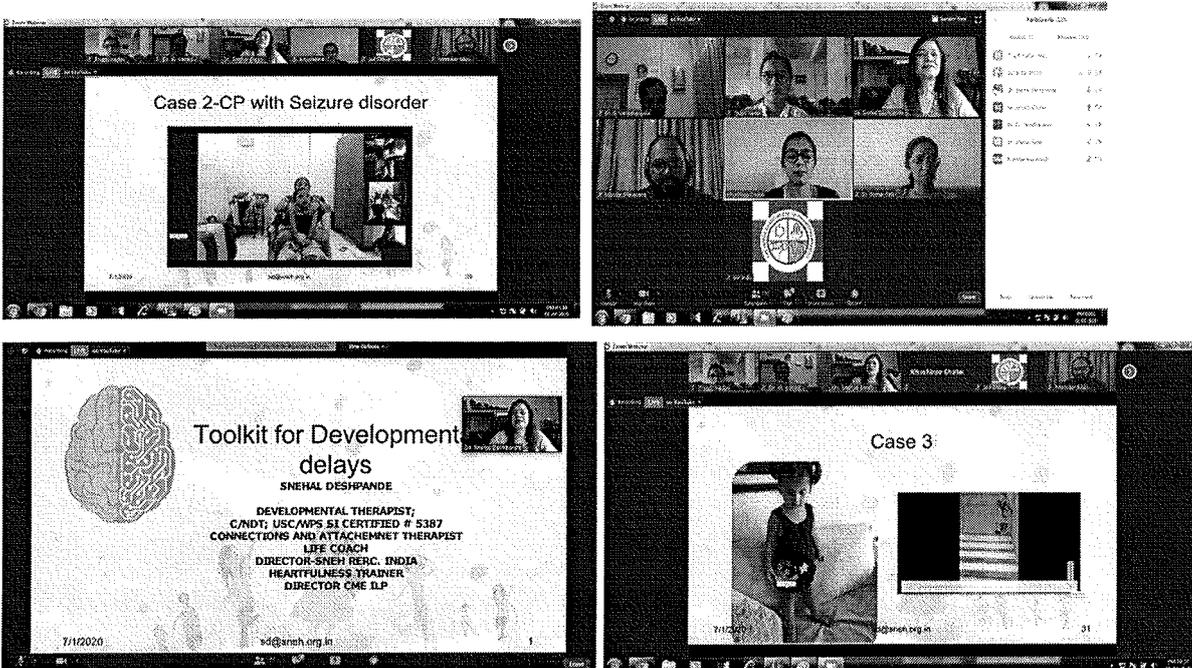

The webinar began with brief introduction of IAP women cell SATARA, Introductory speech with respect to the topic was given by Dr. G. Varadharajulu. The Guest lecture was started at 3 pm by the Guest Speaker, Dr. Snehal Deshpande.

Dr. Snehal Deshpande is Neonatal & Developmental Therapist, C/NDT, USC/WPS, Sensory Integration Certified #5387. She is Director of SNEHA, Rehabilitation, Education and Research Centre, Mumbai. Introduction to the topic of the day was given by Dr. G. Varadharajulu with the continuation of the topic per se by the Speaker for the day .

The main objectives of the Lecture were

- Early assessment and diagnosis of the children with developmental issues
- Observational keys for the assessment of developmental delay
- Discussion regarding the keys to handle young babies
- Discussion about the developmental tools to assess the young children

The session followed by Question answer session and it was conducted by Dr. Mandar Malvade. In that Dr Snehal Deshpande cleared the doubts arised in the minds of participants. Vote of Thanks was delivered by Dr. G. Varadharajulu ,Dean Krishna College of physiotherapy.

## DAY 3

### 4. Webinar No. 4

- Topic: Role of Physiotherapy in labour and delivery
- By: Dr. Snigdha Mehta
- Time- 11 AM- 12 PM
- No of participants –236 on ZOOM, 57 on YOUTUBE LIVE

On the day of webseries, 2<sup>nd</sup> July 2020, after the brief introduction of IAP women cell SATARA, Introductory speech with respect to the topic was given by Dr. G. Varadharajulu. The Guest lecture was started at 11:00 A.M by the Guest Speaker, Dr. Snigdha Mehta.

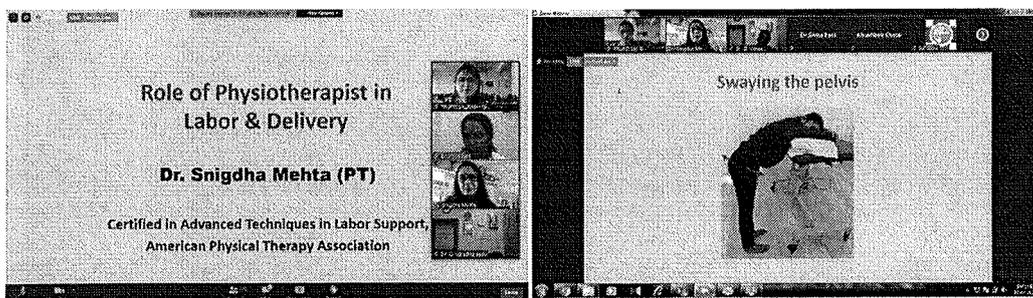

Introduction to the topic of the day was given by Dr. G. Varadharajulu with the continuation of the topic per se by the Speaker for the day Dr. Snigdha Mehta.

The main objectives of the Lecture were

- To introduce the concept of physiotherapy role in labour and delivery.
- To deliver the knowledge about management during various stages of labour from physiotherapeutic point of view

Total of 293 Students and Staff from various colleges including Krishna Institute of Medical Sciences, Deemed to Be University, Krishna College of Physiotherapy, Physiotherapy colleges in and around Maharashtra were benefited with the Guest Lecture.

At the end of the session vote of thanks was delivered by Dr. G Varadharajulu.

## 5. Webinar No. 5

- Topic: Fitness testing and training for amateur & recreational athletes
- By: Dr. Rakeshkumar Sinha
- Time- 3 PM to 4 PM
- No of participants – 86 on CISCO WEBEX, 17 on YOUTUBE LIVE

On the day of webseries, 2nd July 2020, after the brief introduction of IAP women cell SATARA, Introductory speech with respect to the topic was given by Dr. G. Varadharajulu. The Guest lecture was started at 3.00 PM by the Guest Speaker, Dr. Rakeshkumar Sinha.

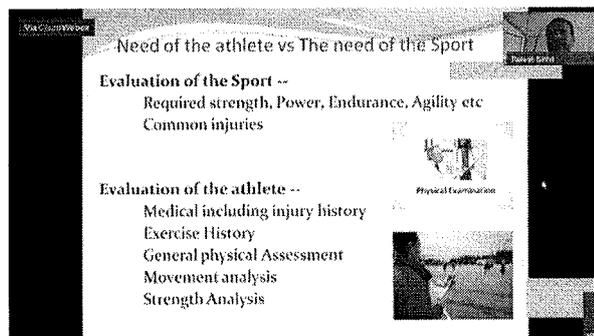

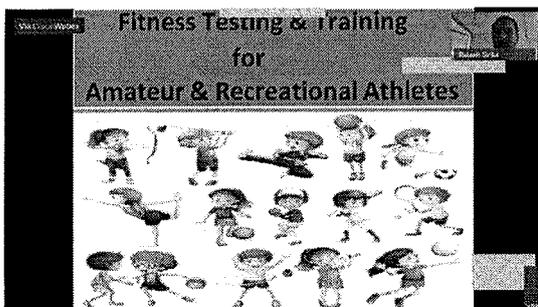

Dr. Rakeshkumar Sinha is a renowned professor in the field of Sports Physiotherapy in Ravi Nair Physiotherapy College, Datta Meghe Institute of Medical Sciences Deemed To Be University Wardha. Sir, has delivered various guest lecture and conducted various conferences and workshops with subjects related to Sports Physiotherapy.

The main objectives of the Lecture were

- To introduce the concept of athletes and difference between amateur and recreational athletes.
- General health evaluation and goals as athlete.
- To deliver the knowledge about training in athletes that is General and specific physical preparation.

Total of 103 Students and Staff from various colleges including Krishna Institute of Medical Sciences, Deemed to Be University, Krishna College of Physiotherapy, Physiotherapy colleges in and around Maharashtra were benefited with the Guest Lecture.

At the end of the session vote of thanks was delivered by Dr.G. Varadharajulu

**Balance tests**

Right eye tests      Left eye tests

**To summarise -- An effective training program is one which includes all the components we have discussed with enough balance to ensure improvement and prevent injury**

*I just need the main ideas*

## DAY 4

### 6. Webinar No. 6

- Topic: Various lines, tubes, monitors and its therapeutic importance in ICU
- By: Dr. Saumi Sinha
- Time- 11 AM- 12 PM
- No of participants –150 on ZOOM

On the day of webinar, 3<sup>rd</sup> July 2020, after the brief introduction of IAP women cell SATARA, Introductory speech with respect to the topic was given by Dr. G. Varadharajulu, Dean, Krishna College of Physiotherapy, KIMSDU, Karad. The Guest lecture was conducted between 11:00-12:00 A.M by the Guest Speaker, Dr. Saumi Sinha .

Dr. Saumi Sinha is a MPT in cardiopulmonary sciences Professor, Ravi Nair College Of Physiotherapy, Datta Meghe Sciences Of Deemed To Be University, Wardha has over 20+ years of teaching experience for B.P.T, M.P.T and Ph D in various reputed Institutes. She has delivered various guest lectures and conducted various conferences and workshops with subjects related to cardiopulmonary Physiotherapy.

Introduction to the topic of the day was given by Dr. G. Varadharajulu with the continuation of the topic by the Speaker for the day Dr. Saumi Sinha the main objectives of the Lecture were:

- To introduce the various Lines, Tubes, Monitors and Its Therapeutic Importance

Total of 150 Students and Staff from various colleges including Krishna Institute of Medical Sciences, Deemed to Be University, Krishna College of Physiotherapy, Physiotherapy colleges in and around Maharashtra were benefited with the Guest Lecture. Entire session was organized through virtual platform on Zoom (150) and You Tube live (76). For smooth conduction of webinar co-ordinator was Dr. Poonam Patil who conducted question answer session after webinar. At the end of the session vote of thanks was delivered by Dr. Khushboo Bathia -Chotai, Assistant Professor Krishna College of Physiotherapy, KIMSDU, Karad.

# VARIOUS LINES, TUBES, MONITORS AND THEIR THERAPEUTIC IMPORTANCE IN ICU

BY  
**DR. SAUMI SINHA, MPT (Cardio),**  
**PROF. & HEAD**  
**DEPT. OF CARDIORESPIRATORY DISEASES, RAJAN SARKI PHYSIOTHERAPY COLLEGE**  
**DMNIS (DU) WARDHA, MAHARASHTRA.**

## PARTS OF CVP CATHETER

## 7. Webinar No. 7

- Topic: Differential diagnosis for low back pain
- By: Dr. R Raja
- Time- 3PM – 4PM
- No of participants – 100 on CISCO WEBEX, 48 on YOUTUBE LIVE

On the day of webinar, 3<sup>rd</sup> July 2020, after the brief introduction of IAP women cell SATARA, Introductory speech with respect to the topic was given by Dr. G. Varadharajulu, Dean, Krishna College of Physiotherapy, KIMSDU, Karad. The Guest lecture was conducted between 3:00-4:00 P.M by the Guest Speaker, Dr. R Raja.

Dr. R Raja is a renowned Professor & Principal KHIPT (KIMS & RI). Sir has over 24+ years of teaching experience for B.P.T, M.P.T and Ph D in various reputed Institutes. Sir, has delivered various guest lectures and conducted various conferences and workshops with subjects related to orthopedic Physiotherapy.

Introduction to the topic of the day was given by Dr. G. Varadharajulu with the continuation of the topic by the Speaker for the day Dr. R Raja.

The main objectives of the Lecture were:

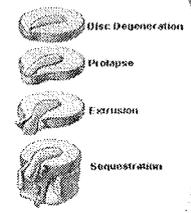

- To introduce the various causes of low back pain which require Physiotherapy consultation.
- To reach towards the confirmatory diagnosis causing low back pain through simple clinical evaluation methods.

Total of 148 Students and Staff from various colleges including Krishna Institute of Medical Sciences, Deemed to Be University, Krishna College of Physiotherapy, Physiotherapy colleges in and around Maharashtra were benefited with the Guest Lecture. Entire session was organized through virtual platform on Cisco webex (100) and You Tube live (48). For smooth conduction of webinar co-ordinator was Dr. Amrutkuvar Rayjade who conducted question answer session after webinar. At the end of the session vote of thanks was delivered by Dr. G Varadharajulu, Dean, Krishna College of Physiotherapy, KIMSDU, Karad.

**DIFFERENTIAL DIAGNOSIS FOR LOW BACK PAIN**  
 Dr. R. RAJA  
 PRINCIPAL, K.L.P.T  
 BANGALORE

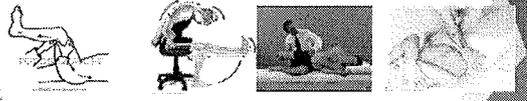

**STAGES OF DISC PROLAPSE**

- 1 Stage of degeneration—No bulge
- 2 Stage of protrusion—Just a bulge
- 3 Stage of extrusion—Out but in contact
- 4 Stage of sequestration—Out no contact
- 5 Stage of fibrosis—Repair

**McKenzie WEBER L TEST**

- Bowstring
- Slump Test
- Femoral Nerve stretch Test
- Compression and Distraction test

**McKenzie WEBER COMICS**

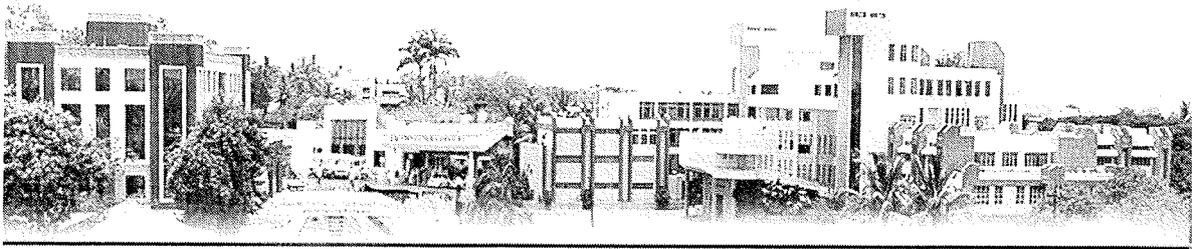

- Work station
- Proper posture—Sitting-Standing
- Rest during work
- Back exercises

**Krishna Institute of Pharmacy, Karad**

**Report on**  
**Webinar Series Organized by Krishna Institute of Pharmacy, Karad**  
**As A Part of Industry-Institute Interaction**

**Webinar 1 to Webinar 6: 03/06/2020 to 08/06/2020 (11.00 AM to 12.00 PM)**

**Webinar 7: 13/06/2020 (4.00 PM to 5.00 PM)**

**Webinar 8: 19/06/2020 (11.00 AM to 12.00 PM)**

**Webinar 9 (International Webinar): 20/06/2020 (9.00 AM to 10.00 AM)**

It's our privilege to report that, Krishna Institute of Pharmacy, KIMSUDU, Karad, had arranged the Webinar Series [9 Webinars (8 National + 1 International)] from 3<sup>rd</sup> June to 8<sup>th</sup> June 2020, 13<sup>th</sup> June 2020, 19<sup>th</sup> June 2020, and 20<sup>th</sup> June 2020, as a part of Industry-Institute Interaction.

**Dr. Rajendra Doijad**, Dean, KIP, KIMSUDU, Karad, was the **host and moderator** for this webinar series. The **target audience** for this webinar series was Third and Final Year B. Pharm. students, PG Pharmacy students, Research Scholars, Faculty Members, and other Pharma Professionals.

**Different people from different Pharma industries as well as organizations** had participated as a **Resource Person/Speaker** for the webinars and delivered their talk on their respective topics as per the designed schedule of this webinar series to guide the target audience.

Many **participants** from the **different States of India**, such as Maharashtra, Karnataka, Kerala, Andhra Pradesh, Goa, and Uttarakhand, had registered as an audience and attended this webinar series to gain the knowledge on different topics.

**Separate Gmail account** was created, exclusively for this webinar series, **to prepare** Google forms for creating all the **registration as well as feedback** links, and for the **certification**, Certify'em, a Google Service was used. **Additionally**, a **separate group** was created on **Telegram** to circulate all the links and to keep in touch with all the participants for any query.

The **platform** used to conduct this webinar series was **Cisco Webex**, an application recommended by the UGC. This **entire webinar series** was **recorded** by the **IT Department, KIMSUDU**, for the record purpose.

3	Dr. Pravin gawali Incharge pt dept, vilasrao deshmukh government institute of medical sciences, latur	Basics of neurophysiology in sensory and motor neurological examination	3pm to 4pm	

**Webinar 1 – Topic: CRITICAL CARE MANAGEMENT FOR COVID-19 POSITIVE PATIENTS**

**Speaker: Dr. Vipin Banugade**

Platform: ZOOM

Link <https://us02web.zoom.us/j/81895290202?pwd=YVg4bW55QW05ZWZWRkR0tJYVg1d0ZsZz09>, Meeting ID: 818 9529 0202, Passcode: kcpt123

On the first day of webinar, 29<sup>th</sup> August 2020, Introductory speech with respect to the topic and “NATIONAL KCPT ALUMNI WEBINAR SERIES” was given by Dr. G. Varadharajulu, Dean, Krishna College of Physiotherapy, KIMSUDU, Karad. The webinar was conducted by the Guest Speaker, Dr. Vipin Banugade, MPT and distinguished alumni of KCPT.

Dr. Vipin Banugade, has completed his MPT in Musculoskeletal Physiotherapy specialty in 2011 from Krishna College of Physiotherapy, KIMSUDU, Karad and is presently working as In-charge, Sahyadri Hospital Yerwada, Pune. Sir, has delivered various health seminars at corporate sectors in and around Pune on ergonomics and its benefits, postural corrections, exercise prescription, etc.

The main objectives were:

- Introduction of Corona Virus.
- Information about important markers/Investigations used in corona patients.
- Importance of PT Management in critical care covid patients.

Total of 100 Students and Staff from various colleges including Krishna Institute of Medical Sciences, Deemed to Be University, Krishna College of Physiotherapy, Physiotherapy colleges in and around Maharashtra were benefited. Entire session was organized through virtual platform on Zoom meetings.

The convener of webinar was Dr. Amrutkuvar Rayjade, Associate Professor who introduced the speaker and Dr. Poonam Patil, Assistant Professor conducted question answer session after webinar. Pre-test and post-test questionnaire was provided to all the participants and responses were generated through google forms. All participants who filled post-test forms were given e-certificate for their active participation in webinar. At the end of the session vote of thanks was delivered by Dr. Amrutkuvar Rayjade, Associate Professor and Convener of the webinar.

## Webinar 2– Topic: BASICS OF NDT

Speaker: Dr. Sayali Chitnis

Platform: ZOOM

<https://us02web.zoom.us/j/86425793412?pwd=Nld3WVBLEXVJWGx2bWNZaHdxKzd1dz09>

Meeting ID: 864 2579 3412

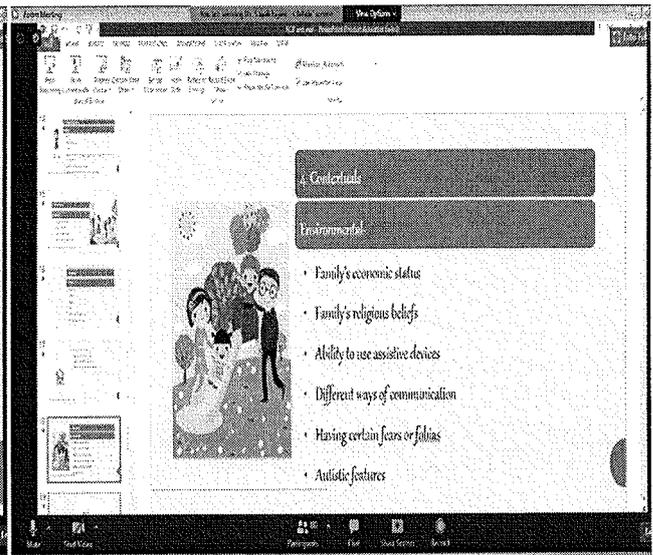

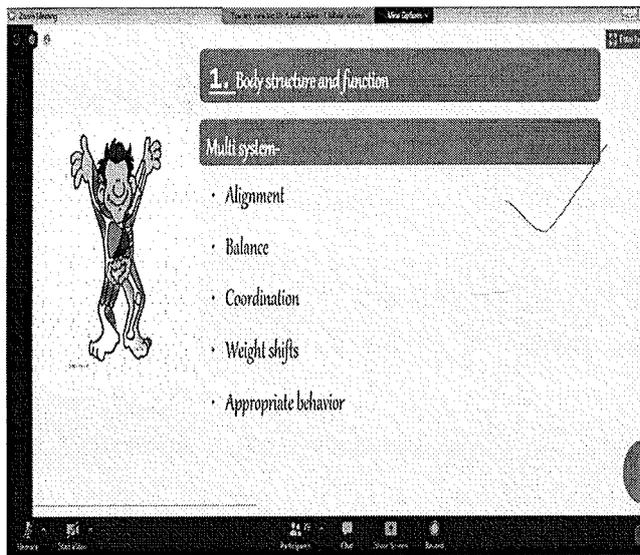

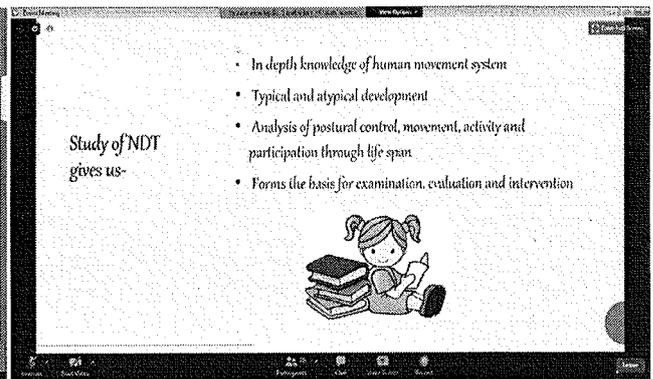

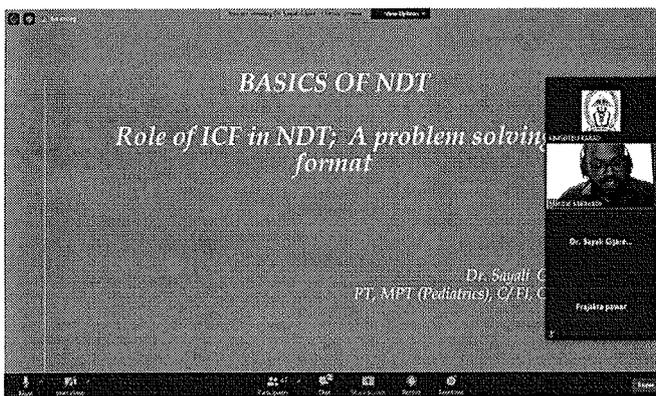

Passcode: kcpt123

On the day of webinar, , Introductory speech with respect to the topic and “NATIONAL KCPT ALUMNI WEBINAR SERIES” was given by Dr. G. Varadharajulu, Dean, Krishna College of of Physiotherapy, KIMSDU, Karad. The Guest lecture was conducted by the Guest, Dr. Sayali Chitnis, MPT and distinguished alumni of KCPT.

The main objectives of the Lecture were:

- Introduction of NDT concept.
- Information about assessment criteria of NDT.
- Implementation of NDT in Pediatric practice.

Total of 100 Students and Staff from various colleges including Krishna Institute of Medical Sciences, Deemed to Be University, Krishna College of of Physiotherapy, Physiotherapy colleges in and around Maharashtra were benefited with the Guest Lecture. Entire session was organized through virtual platform on Zoom meetings. The convener of webinar was Dr. Mandar Malwade, Associate Professor who introduced the speaker and conducted question answer session after webinar. Pre-test and post-test questionnaire was provided to all the participants and responses were generated through google forms. All participants who filled post-test forms were given e-certificate for their active participation in webinar. At the end of the session vote of thanks was delivered by Dr. Mandar Malwade, Associate Professor and Convener of the webinar.

**Webinar 3– Topic: BASICS OF NEUROPHYSIOLOGY IN SENSORY AND MOTOR  
NEUROLOGICAL EXAMINATION**

**Speaker: Dr. Pravin Gawali**

Platform: ZOOM

<https://us02web.zoom.us/j/89265510255?pwd=akdESFNBU2FkenZFdGE5c2Z6ajRldz09>

Meeting ID: 892 6551 0255

Passcode: kcpt123

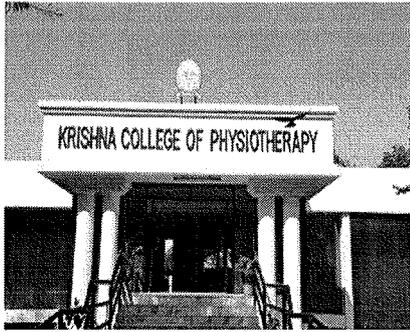

On the day of webinar, Introductory speech with respect to the topic and “NATIONAL KCPT ALUMNI WEBINAR SERIES” was given by Dr. G. Varadharajulu, Dean, Krishna College of of Physiotherapy, KIMSDU, Karad. It was conducted by the Guest Speaker, Dr. Pravin Gawali, MPT and distinguished alumni of KCPT.

The main objectives of the Lecture were:

- Introduction to sensory and motor neurological examination.
- Introduction to basics of neurological examination.
- Explanation in detail of sensory and motor neurological examination.

Total of 100 Students and Staff from various colleges including Krishna Institute of Medical Sciences, Deemed to Be University, Krishna College of of Physiotherapy, Physiotherapy colleges in and around Maharashtra were benefited with the Guest Lecture. Entire session was organized through virtual platform on Zoom meetings. The convener of webinar was Dr. Suraj Kanase, Associate Professor who introduced the speaker and Dr. Trupti Yadav, Assistant Professor conducted question answer session after webinar. Pre-test and post-test questionnaire was provided to all the participants and responses were generated through google forms. All participants who filled post-test forms were given e-certificate for their active participation in webinar. At the end of the session vote of thanks was delivered by Dr. Trupti Yadav, Assistant Professor.

## National KCPT Alumni Webinar Series

### Basics of Neurophysiology of Sensory and Motor Neurological Examination

#### What Basics We are Going to deal in this webinar

- What you do(Input)?
- What Happens (Neurophysiology)?
- What Response you get(Outcome)?
- What You Conclude(Probable Diagnosis)?

#### History

- A detail history is a key for specific neurological assessment
- History of present illness is an important aspect of neurological assessment
- Proper History leads to various differential diagnosis
- Identify which component of Neurological system is affected

"Deemed To Be University", Karad

**Krishna Institute of Medical Sciences “Deemed To Be University”,  
School Of Dental Sciences, Karad**

**Event Report**

**Name of the Topic :** “Prosthodontics amidst the COVID-19 pandemic: Adapting To The New Normal”

**Date:** 28/08/2020

**Time:** 10.00 am – 3 pm

**Venue :** Lecture Hall No-3, School of Dental Sciences, KIMSDU, Karad

**Name of the Speaker :** : Dr Anand F. Farias

**No. of Participant :** 100 (ONLINE)

**Introduction of Programme :** Department of Prosthodontics, crown & bridge has conducted a Webinar on “Prosthodontics Amidst The Covid-19 Pandemic: Adapting To The New Normal” for UG & PG dental students and faculty. The speaker, **Dr Anand F. Farias**, is a Professor at Dept of Prosthodontics, Faculty of Dentistry, Melaka-Manipal Medical College, Malaysia.

The Webinar was conducted through online portal ZOOM. In the beginning, Dr.Sushma R, Master of the Ceremony, introduced the guest speaker & requested him to deliver his lecture. The lecture was for both UG & PG students.

**Includes Level of Event** – College level

**Organized by :** : Department of Prosthodontics, SDS, KIMS “Deemed to be University”, Karad.

**Schedule of the Programme :** Introduction of speaker followed by main lecture, felicitation of the guest speaker.

**Objectives of the Programme :** 1. that we should adapt to the new normal situation and start doing the patients for their betterment.

**Brief Description of the Programme:** **DR ANAND F. FARIAS** explained about the impact of COVID-19 on dentistry in general and then on Prosthodontics in particular. He explained that we as a specialist should adapt to the new normal situation and start doing the patients for their betterment. But at the same time he emphasised upon safety of the clinician as well as the patient. He explained various precautions and measures we should take while treating any patient in very simple but effective way.

**Pre-Test & Post Test Results**

Before and after the lecture, Pre-test & Post-test was conducted respectively.

The Pre-Test score : 44%.

The Post-Test score: 85%

Absolute Learning Gain= Post Test-Pre Test/ 100%- Pre Test

$$= 85-44/ 100-44= 43/56$$

$$= 76.78\%.$$

After the lecture Dr.Sushma R gave vote of thanks & declared the end of the Programme.

**Event Report**

**Name of the Topic :** “Diagnosis of Failures in Endodontics and its Management”

**Date:** 29/08/2020

**Time:** 10 am -3 pm

**Venue :** Lecture Hall No-1, School of Dental Sciences, KIMSDU, Karad

**Name of the Speaker : :** Dr. Anil Chandra

Dean & HOD, Department of Conservative dentistry & Endodontics , Faculty of dental Sciences,  
K.G’s Medical University Lucknow

**No. of Participant :** 100

**Introduction of Programme :** Department of Conservative dentistry & Endodontics conducted Live webinar on 29/08/2020, at lecture no. 1 at School of dental Sciences. The lecture was mainly directed for Post graduate students, BDS and MDS staff. The session was chaired by Dean Dr. Shashikiran N.D and HOD Department of Conservative dentistry & Endodontics Dr. T.M.Mangala. A total of 100 participants attended the session. The speaker Dr. Anil Chandra from Faculty of dental Sciences, K.G’S Medical university, Lucknow explained the participants about Failures in Endodontics, Diagnosis of failures and management in a detailed manner..

**Includes Level of Event –** College level

**Organized by :** Department of Conservative dentistry & Endodontics, SDS, KIMS “Deemed to be University”, Karad.

**Schedule of the Programme :** Introduction of speaker followed by main lecture, felicitation of the guest speaker.

**Objectives of the Programme :** 1. To educate students about Failures in Endodontics, Diagnosis of failures and management in a detailed manner..

**Brief Description of the Programme:** The lecture was very informative and created an enthusiasm amongst participants about the topic. The participants answered Pre test and Post test questionnaire on the topic of lecture. On analysis of the test result a significant improvement was seen among participants

Pre & Post- test result:

Advanced learning gain as calculated by the formula

$ALG = \frac{\text{post test} - \text{pre test score}}{\text{total score}} \times 100$

All the questionnaire’s were scored, analysed and Advanced learning gain was calculated for each learner. The sample copy of the the questionnaire with the calculation is attached with the report. We obtained a 58% ALG from the analysis.

**Objectives of CISP**

- 1) To introduce participants to competency based Medical education (CBME)
- 2) To link national health needs to competency and objectives.
- 3) To make the participants familiar with concepts of foundation course, electives and early clinical exposure.
- 4) To explain the details of Assessment in CBME.

Curriculum Implementation Support Program was organized by KIMS from 29th to 30<sup>th</sup> September 2020. For this program Col. Mahima Lall Arora, Associate Professor, Microbiology, AFMC, Pune was appointed as observer by MCI. Total 30 participants attended it. The sessions were interactive and Hands on experience was provided to participants. Main aim of this workshop was to introduce the faculty to new CBME-competency based medical education and modes of implementation. The workshop was conducted as per schedule and adhering to the objectives of each lecture. The workshop was conducted online as well as offline due to current Covid-19 situation. 10 participants attended online. The observer also was online throughout the workshop. Definition of competency, Difference between competency, objectives & outcomes (with examples); introduction to CBME, salient differences from conventional model, to link national health needs to competencies and objectives, linking of competency with domains of learning using the competency sheet, group work, small groups work with faculty, emphasis on proper alignment, discuss relevant TL methods were the objective fields of gain assessed at the conclusion. The participants expressed satisfaction about the workshop.

Mean pre-test score- 05.2/25

Mean post-test score-20.93/25

Learning Gain=62.92%.

**Name of the Topic:** International Webinar on Prospects of Future Health Research

**Date:** 10/11/2020

**Time:** 9 am to 1 pm

**Venue:** Virtual Platform

**Name of the Speaker:**

1. Mr. Takala Utura, Dean, College of Health and Medical Sciences, (BHU), Ethiopia
2. Mr. Boko Loka, Vice- Dean College of Health and Medical Sciences, BHU, Ethiopia.

**No. of Participant:** 12 Faculty and Other

**Includes Level of Event:** International Level

**Organized by:** Bule Hora University, Ethiopia and Krishna Institute of Nursing Sciences, Karad.

**Objectives of the Programme:**

1. To Identify research Problems
2. To explore Traditional medicine as the Future Health Research Prospective

**Brief Description of the Programme:**

Mr. Takala Utura, Dean, College Of Health And Medical Sciences, (BHU), Ethiopia made inaugural remarks, followed by identifying a research problem was delivered by Mr. Boko loka, Vice- Dean College of Health and Medical Sciences, BHU, Ethiopia. "Traditional medicine: a Future Health Research Prospective" was delivered by Mr. Fitsum Demissie, specialized in Pharmaceutical Quality College of Health And Medical Sciences, BHU, Ethiopia.

Afternoon sessions were continued by Dr. (Mrs.) Vaishali Rajsinh Mohite, Dean, KIMSDU, KINS, Karad, India on good academic research practices. Followed by reliability and validity by Mr. Prabhuswami.

Moderator for the webinar was Mr. Girish Degavi, Faculty of Nursing, College Of Health And Medical Sciences, BHU, Ethiopia Mrs. Manisha Gholap, Dept. of Medical Surgical Nursing, KIMSDU, KINS, Karad. India.

**Event Report**

**Name of the Topic :** “Good Clinical Practice”

**Date:** 4/11/2020

**Time:** 11:00 AM – 3 pm

**Venue :** Lecture hall no. 3, School of Dental Sciences, KIMS DU, Karad

**Name of the Speaker :** Dr. SARASWATI NAIK, Professor, Department of Paedodontics, Bapuji Dental College, Davangere

**No. of Participant :** 09

**Introduction of Programme :** A CDE program was conducted by Department of Paedodontics and Preventive dentistry, SDS KIMS DU, Karad on 4<sup>th</sup> November 2020 on GOOD CLINICAL PRACTICE. Lecture was delivered by Dr.Saraswati Naik, Professor, Department of Paedodontics, Bapuji Dental College, Davangere.

Dr.Shreya Bapat., 3<sup>rd</sup> year post graduate student of Department of Paedodontics and Preventive Dentistry, welcomed the guests and the audience. Following this, the speaker was introduced by Dr. Swapnil Taur and was felicitated by our principal sir, Dr. Shashikiran N.D. with floral bouquet.

**Includes Level of Event -** College level

**Organized Individually by :** Department of Paedodontics and Preventive Dentistry ,School Of Dental Sciences, Karad

**Schedule of the Programme :** Introduction of guest speaker, main lecture, vote of thanks

**Objectives of the Programme :** : 1.To aid dental professionals in clinical decision making  
2. To optimize patient care

**Brief Description of the Programme :** This was followed by an elucidative lecture by Dr.Saraswati Naik, in which she enlightened us with skills to aid dental professionals in clinical decision making and help incorporate evidence gained through scientific investigation into patient care. Guidelines include recommendation statements intended to optimize patient care that are informed by a systematic review of evidence and an assessment of the benefits and harms of alternative care options.

After the productive lecture, Dr.Saraswati was honoured with momento and certificate of appreciation by Dr. Shashikiran N.D.To conclude the program, vote of thanks was given by Dr.Savita Hadakar.

**Name of the Speaker:** Mr.Vijay Kanase, Mrs.Feba Raju, Mrs .Kavita Bettigiri, Mrs.Sheetal Kadam

**No. of Participant: 140 (09 Teaching Faculty)**

**Introduction of Programme:** Webinar series initiated by Alumni’s of Krishna Institute of Nursing Sciences, Karad.

**Includes Level of Event -** college level

**Organized Individually by:** Krishna Institute Of Nursing Sciences, Karad conducted by Department of Child Health Nursing, Karad

**Schedule of the Programme:**

<b>Items</b>	<b>Time</b>	<b>Name</b>
Introduction	9.00 - 9-15 am	Dr Vaishali Mohite
Management of children with oncological disorders	9.15-10.15 am	Mr Vijay kanase
Management of children with leukaemia	10.15-11.15 am	Mrs .Kavita Bettigiri
Lymphoma	11.15- 12.15 am	Mrs.Feba Raju
Palliative care	12.15- 1.15 pm	Mrs.Sheetal Kadam
Interaction with participants	1.15-1.30 pm	
Vote of thanks	1.30.1.35 pm	Ujwala chopade

### **Objectives of the Programme:**

1. To aware about common oncological disorders in children
2. To discuss the common oncological disorders in children's
3. To provide platform to alumni to contribute to institution

### **Brief Description of the Programme:**

First session conducted by Mr.Vijay Kanase on management of children with oncological disorders. He explained various types of cancers in children and management. In addition he was discussed carrier opportunities in oncological nursing in abroad.

Then 2<sup>nd</sup> speakers Mrs. .Kavita Bettigiri , introduction given by DR.Prakash Naregal,Associate Professor, KINS. She conducted lecture on Management of children with leukemia. Kavita explained in detail disease condition, investigations treatment modalities and regarding nursing management.

Next speaker's introduction given by Mrs.Sheetal Kadam. Mrs.Feba Raju conducted lecture on Lymphoma, its classification and treatment modalities.

Last speaker introduced by Mrs.Ujwala Chopade Assistant Professor, KINS,Karad. Mrs.Sheetal Kadam took session on palliative care. She explained concept of palliative care, team members, their roles and pediatric palliative care.

At the end question answer session conducted.

Vote of thanks proposed by Mrs.Ujwala Chopade,Assistant Professor,KINS,Karad.

Post webinar resource material, all PDF PPTs shared to participants with permission of speakers.

**Report of Workshop on Systematic Review and Meta-Analysis  
16<sup>th</sup> – 17<sup>th</sup> Dec 2019**

Two Days Workshop on "Systematic Review and Meta-Analysis" conducted from 16/12/2018 to 17/12/2018 by Research Cell. This workshop was firstly initiated as a stepping stone in the institute to create awareness in Systematic Review and Meta-Analysis. This workshop was organized followed by inauguration programme in the media room. This programme was inaugurated in the auspicious hands of Honorable Vice Chancellor Mrs. Dr. Neelima Malik, Registrar Dr. M. V. Ghorpade, Director of Research Dr. Arun R. Risbud, Additional Director of Research Dr. D. K. Agarwal, Dr. S. T. Mohite and others Thirty participants have attended in the workshop. Mr. Richard Kirubakaran, Research scientist, CMC Vellore. They have delivered several talks on Systematic Review and Meta analysis during workshop. The topics covered in the workshop were: searching methods for identifying literature, managing reference using - Zotero Awareness of Meta analysis, Risk of bias assessment of the included studies, Risk of bias practicals, Using Revman for systematic review, – Meta analysis using Revman practical's.

## **Report**

KIMSDU's

Krishna Institute of Pharmacy, Karad

Report on

Faculty Development Programme

Arranged at: KIMSDU's Krishna Institute of Pharmacy, Karad

Organized by: Institute of Chemical Technology (ICT), Mumbai

Duration: 20<sup>th</sup> November 2019 to 29<sup>th</sup> November 2019

**Dr. Rajendra C. Doijad**, Dean, Krishna Institute of Pharmacy, KIMSDU, Karad, took an initiative to arrange 10 days national level Faculty Development Programme (FDP) on Industry Pharmacy I, from 20<sup>th</sup> November 2019 to 29<sup>th</sup> November 2019.

This FDP was special and prestigious as it was organized by **Institute of Chemical Technology (ICT)**, Department of Pharmaceutical Sciences and Technology, Mumbai, and arranged at **Krishna Institute of Pharmacy, KIMSDU, Karad**, under auspices of **Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT)**

This FDP was sanctioned by **Rashtriya Uchchar Shiksha Abhiyan (RUSA)**, initiated by **Ministry of Human Resource Development (MHRD), Government of India**.

The key objectives of this FDP were to update the industrial knowledge and to provide the current perspectives on industrial pharmacy to Pharma faculty members.

For this FDP, **Dr. R. C. Doijad** (KIP, Karad) and **Dr. Vikas Telvekar** (ICT, Mumbai) have invited many resource persons and speakers from different reputed Pharma industries as well as universities.

Moreover, **Mr. V. L. Hambar**, Ex-Deputy Drugs Controller, Govt. of Karnataka, Bengaluru, was invited as a keynote speaker for this FDP. Additionally, many reputed industry people were called including managers, senior managers, deputy managers, head of the departments, etc. Pharma consultants and academicians from different reputed institutes were also called for delivering the presentations.

Every speaker gave presentation on the topic provided and mentioned in the programme schedule, at their respective sessions to the faculty members/delegates present. Delegates were from Goa, Karnataka, and Maharashtra State.

**Dr. R. C. Doijad**, Dean, Krishna Institute of Pharmacy (B. Pharm.), Krishna Institute of Medical Sciences Deemed To Be University, Karad, was also one of the speakers for this FDP.

He presented his topic on the very first day i.e. 20<sup>th</sup> Nov. 2019 after keynote address and a session by Mr. V. L. Hambar. The topic given to him for the presentation was Decomposition of Formulations.

In his presentation, he spoke about the current status of Pharma industries in India. He also spoke about concept of 3S (sterile, standard, and stable) required for each and every dosage form and medicine.

He gave an emphasis on decomposition of formulations through different degradation pathways including hydrolysis, oxidation, reduction, photolysis, etc. He then told the remedial measures to overcome these degradation pathways.

He also shared his experience and knowledge regarding influence of packaging materials (glass, plastic, rubber, etc.) on a pharmaceutical product.

Additionally, he spoke about the cares to be taken while selection of every formulation and packaging component including pre-formulation parameters and post-formulation parameters, and the stability of pharmaceutical product.

He then concluded the session, cleared the doubts of faculty members participated for the FDP, and had a discussion with everyone.

After his presentation and discussion on given topic for FDP, through his other presentation slides, he spoke about his institute and university.

He introduced **Hon. Chancellor and Chairman, Dr. Suresh Bhosale**, Krishna Institute of Medical Sciences Deemed To Be University, Karad, to all the faculty members and industrial people present.

He also introduced everyone to **KIMSDU**, overall campus of KIMSDU, and all the institutes successfully running under KIMSDU.

Subsequently, FDP was conducted for next 9 days smoothly as per the programme schedule, and every speaker shared his/her knowledge for improvement in faculty delegates to try narrowing the gap between industry and institute in coming future.

On the last day of this FDP, **Dr. Vandana Patravale**, Professor, Dept. of Pharmaceutics, ICT, Mumbai, was called for a last session on Quality by Design, and also as a guest for the valedictory function for this FDP. She shared her thoughts and knowledge regarding this FDP and scope for the improvement in teaching-learning techniques and various opportunities.

**Dr. R. C. Doijad** and **Dr. Vikas Telvekar** also shared their thoughts on this 10 day FDP and guided faculty delegates.

The FDP was then concluded and certificates were distributed.

**This report includes following documents/reports/evidence:**

1. Photo Gallery (20/11/19 to 29/11/19)
2. Certificates:
  - ❖ A Proud Recognition and Certificate of Appreciation to KIP, KIMSDU, Karad
  - ❖ Convener Memento to Dr. R. C. Doijad, Dean, KIP, KIMSDU, Karad
  - ❖ Convener Certificate to Dr. R. C. Doijad
  - ❖ Certificate of Resource Person to Dr. R. C. Doijad
  - ❖ Certificate of Co-convener to Dr. R. R. Bhosale, Asst. Prof., KIP, KIMSDU, Karad
  - ❖ Certificate of Participation to Dr. A. S. Shete, Asst. Prof., KIP, KIMSDU, Karad
  - ❖ Certificate of Participation to Mrs. S. B. Udugade, Asst. Prof., KIP, KIMSDU, Karad
  - ❖ Certificates of Volunteers

**Department of Pharmaceutical Sciences and Technology**

Dr. Madan Mohan Malaviya

Under the Scheme of

Faculty Development Centre (FDC)

for Chemical Technology, Mumbai - 400019

(MHRD, Govt. of India)

**About workshop**

Under FDC, Series of 10 days workshop in Industrial Pharmacy, Clinical Data Management and Pharmaceutical Management are planned throughout the year.

**Outcomes**

- Teachers in pharmacy courses across India would deliver their courses more efficiently and confidently with updated knowledge
- Enhanced campus placement and salary structures of pharmacy graduates and post-graduates, as a result of teachers trained in theoretical and practical aspects of Industrial Pharmacy
- Enhancement of soft skills and pedagogical training of teachers
- Networking among faculty and other professionals with common interests leading to brighter career prospects, in teaching and research

**TOPIC**

1. FDA Regulations
2. 21 CFR
3. Sampling protocols
4. Contaminations and cross contamination
5. Decomposition of formulation
6. Audit and Documentation- Filling Documents
7. Raw material and finished Goods Storage
8. Flow of raw materials in manufacturing facility
9. Personnel training- Protective equipments
10. Cleaning Validation
11. Quality by Design

## Professional Development Program Report

Department: Housekeeping

Venue: Venus Hall

Date: 6.3.2020

Time: 09:00 to 05:00 PM

Topic: Types of Fire, Waste Segregation, Types of Deep Cleaning and deep cleaning procedures

Trainer / Speaker: Mr. Bapuro P Yadav

---

The PDP was conducted on the above mentioned date. Details of the program are as under:

Sr. No	Details	Details
1	Total number of participants	30
2	Total duration of the program	8 Hours
3	Feedback details	
	A	4
	B	20
	C	6
4	Tests	
	Pre – Training	8.0 /10
	Post Training	8.8 /10

The training was conducted with live demonstrations in the below sessions

Session 1 – Pre training test and Types of Fire

Session 2 – Waste Segregation

Session 3 Types of Deep Cleaning

Session 4 deep cleaning procedures

Post training test and closure

❖ Explained Types of fire

- a) Type A = Fire takes place by solid material (Furniture, Cloths etc.)
- b) Type B = Fire takes place by Liquid material (Explosive Chemicals & Liquids)
- c) Type C = Fire takes place by Gas material (LPG & Oxygen)
- d) Type D = Fire takes place by Metal material (Explosive metals)
- e) Type E = Fire takes place by Short circuit

On above types of fire, fire required Extinguisher explained

❖ Awareness of Segregation of hospital Waste as follows

Segregation is important otherwise causing infections.

Explain how to segregate hospital waste.

- a) Yellow bag = Anatomical, animal waste, discarded medicine, blood, contaminated dressing material etc.
- b) Red bag = Micro culture, all medical plastics etc
- c) Blue bag = Medical Glass
- d) White Container = Medical Sharps (metal)
- e) Black Bag = general Waste (Domestic)
- f) Green Bag = organic Waste (Food Waste)

### Professional Development Program Report

Department: Power House

Venue: Power House

Date: 24/10/2020

Time: 09 am

Topic: Introduction of PPE & Its use

Trainer / Speaker: Er. V. U. Bhambure

The PDP was conducted on the above mentioned date. Details of the program are as under:

Sr. No	Details	Details
1	Total number of participants	9
2	Total duration of the program	08:00 hours
3	Feedback details	
	A	9
	B	0
	C	0
4	Tests	
	Pre – Training	61
	Post Training	100

#### Training Goal –

- 1)The aim of this program is to provide comprehensive on-site training to high-risk workers and management prevention of serious Injuries from electrical hazards at their worksites.
- 2) Requirements and reduce or eliminate electrical safety hazards in their workplace.

### **Effective Assessment**

- 1) In today's training program we understand how work on site safely and risk free.
- 2) Also understand in working with exposed conductors carrying 50 volts or more. Make sure electrical equipment is properly connected, grounded and in good working order.
- 3) Extension cords may not be used as permanent wiring and should be removed after temporary use for an activity or event.

## Program Schedule

Department: Power House

Venue: Power House

Date: 24/10/2020

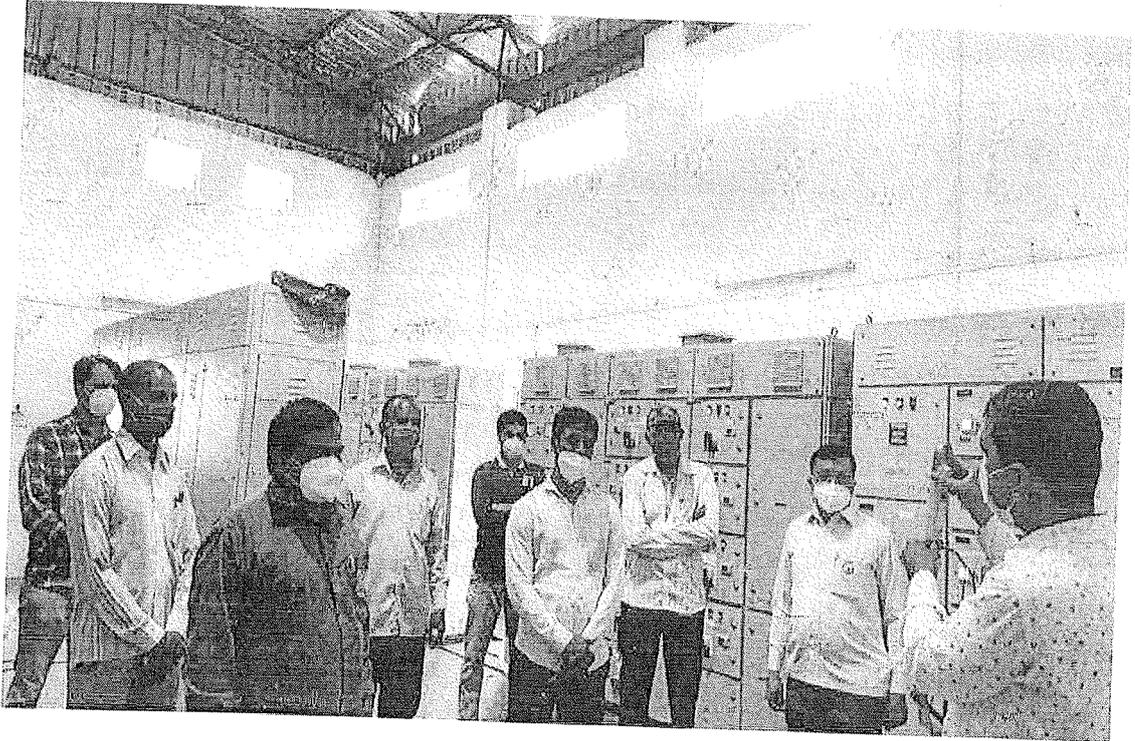

Time: 09 am

Topic: Introduction of PPE & Its use

Trainer / Speaker: Er. V. U. Bhambure

<b>Time</b>	<b>Details</b>

## Professional Development Program Report

**Department:** Pharmacy Department.

**Venue:** Pharmacy Department.

**Date:** 13.12.2019

**Time:** 09.00 am – 05.00 pm

**Topic:** "ADR, Medication Error & Pharmacovigilliance "

**Trainer / Speaker:** Mr. Samir Ibuse.(Mylan Company)

---

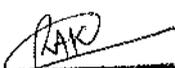

The PDP was conducted on the above mentioned date. Details of the program are as under:

Sr. No	Details	
1	Total number of participants	11
2	Total duration of the program	8 hours

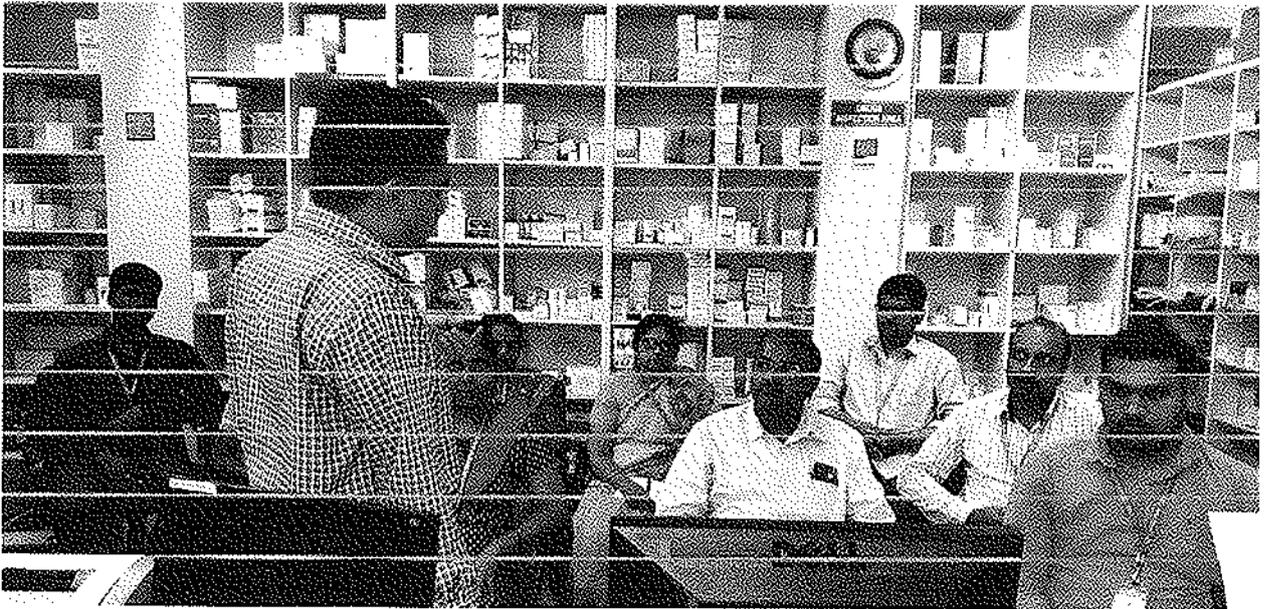

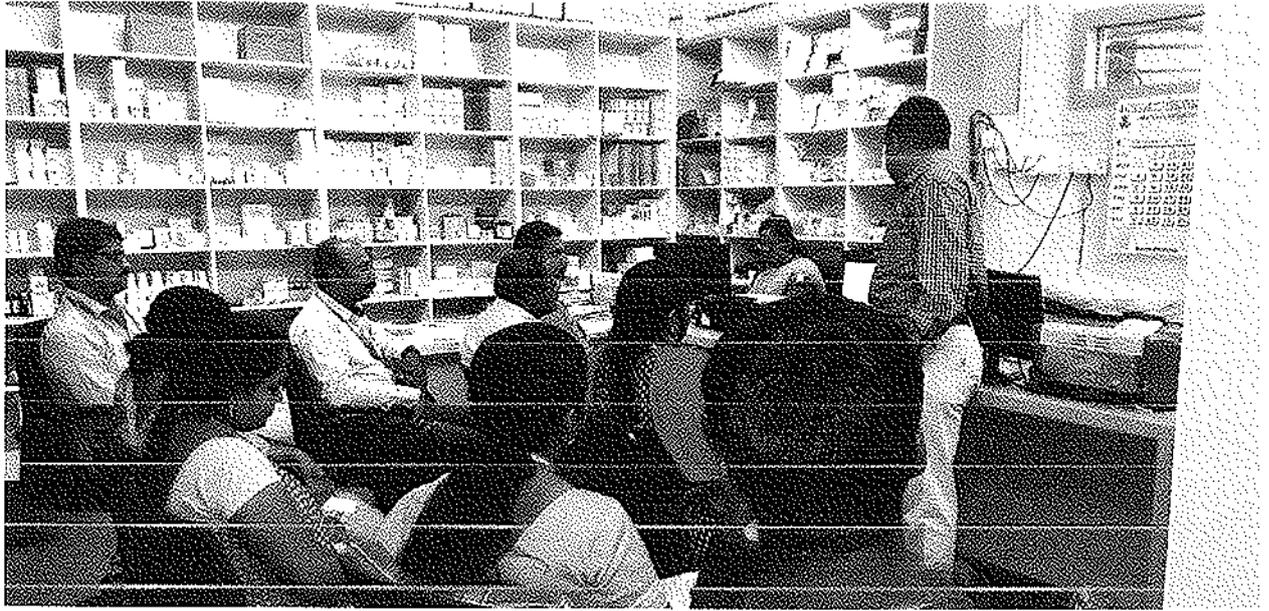

The entire training was divided into three sessions as below:

1. Adverse reaction Management:  
The ADR forms should be filled if any ADR occurs.
2. Adverse drug reaction and medication error reporting is very important to improve quality of service and patient safety.
3. An ADR is unintended, undesirable or unexpected response to drug that occurs at dose used in humans for prophylaxis, diagnosis or therapy, excluding therapeutic failure.
4. A medication error which has a potential to cause injury or harm which was detected and corrected prior to its administration to the patient.
5. Medication Errors occurring at prescription, Transcription, Dispensing & Administration level.

The sessions were conducted in the pharmacy department itself to ensure ease of access to the pharmacy software thereby enabling ease of understanding and day to day operations.
